

# Happier

MARSHMELLO | BASTILLE

Lately, I've been, I've been thinking  
I want you to be happier, I want you to be happier  
When the morning comes  
When we see what we've become  
In the cold light of day we're a flame in the wind  
Not the fire that we've begun  
Every argument, every word we can't take back  
Cause with all that has happened  
I think that we both know the way that the story ends  
Then only for a minute  
I want to change my mind  
Cause this just don't feel right to me  
I want to raise your spirits  
I want to see you smile but  
Know that means I'll have to leave  
Know that means I'll have to leave  
Lately, I've been, I've been thinking  
I want you to be happier, I want you to be happier  
When the evening falls  
And I'm left there with my thoughts  
And the image of you being with someone else  
Well, that's eating me up inside  
But we run our course, we pretend that we're okay  
Now if we jump together at least we can swim  
Far away from the wreck we made  
Then only for a minute  
I want to change my mind  
Cause this just don't feel right to me  
I want to raise your spirits  
I want to see you smile but  
Know that means I'll have to leave  
Know that means I'll have to leave  
Lately, I've been, I've been thinking  
I want you to be happier, I want you to be happier  
So I'll go, I'll go  
I will go, go, go  
So I'll go, I'll go  
I will go, go, go
